

No, I didn't. What did you say.

RAKESH

(Looking at Adhil with frustration)

Nothing, I said I like Meera. Now look how I approach her and introduce myself.

(Rakesh goes upto Meera and introduces himself.)

RAKESH

Hi, I'm Rakesh.

MEERA

Hi Rakesh, I'm Meera

RAKESH

I know, your friend introduced you too.

MEERA

(laughs embarrassingly)

Yeah. The thing is I've got this stage fear and I only joined this club because of Floria.

(Rakesh points to Adhil and introduces him as well.)

(Meera waves at Adhil.)

(Adhil shyly waves back at Meera.)

RAKESH

(Asks Meera)

Can I have your Instagram ID?

MEERA

(Her cheeks getting visibly red as she blushed.)

Sure, I would love to.

(They both exchanged their Instagram IDs)

(Rakesh goes back to Adhil)

RAKESH

(To Adhil)

Now this is how you talk to women. Watch and learn some tips.

(Adhil gets impressed by Rakesh)
