(Adhil's Dad opens the door for him)

DAD

So how did your first day of Second year go?

ADHIL

It was good. Got to meet some friends, actually Rakesh fell for a fresher girl when they got introduced to us in the film club.

DAD

Lucky for him. And what about you? Did you find anyone?

ADHIL

(nervously)

No. Who am I gonna get. Ana de Armas?

DAD

(With a small smile on his face)

You will... eventually.

(Adhil goes to his room)
